How Often Do You Find Yourself Saying: "I Wish I Knew How To Improve My Marriage."

Save Your Marriage. It's No Accident. Inside This Book Are The Secrets to Improving Your Marriage In As Little As 15 Minutes A Day.

Getting married is probably the most important decision a man and woman will ever make. The marriage covenant through which husband and wife form an intimate union of life and love can be jeopardized because couples are not trained to avoid the crimes that many commit against their marriage.

How husbands and wives deal with problems will determine the success or failure of their marriage. Learn how not to make one of the most costly mistakes of your life.
